Consideration	Ideal Situation	How important is this to you?
How far would you be able to travel?		
What is your availability? (days/times)		
Trainer Experience & Education.		
Class size		
Cost		
In-Person or Virtual?		
Individual or Group?		
Training Method (e.g. positive reinforcement)		

The best way to use this tool is to consider what your ideal situation is for each of these items. As you are looking for a trainer you can use this to remind yourself

about what was important to you.
